How can the curriculum be improved for the future professional growth of the pupil teachers *

Detailed model making process should be introduced in any way either by showing videos related to it Or manually(live in a class)

Mention at least two points which make you feel proud to be associated with A.S. College of Education, Khanna as Alumni *

I think that one year made me realise that how much energetic I could be in almost each and every field. The confidence level, judging psychology of others in real life situations and how to present myself into any situation smartly makes me feel proud of myself and this all i have gained from this college. Thanks a lot to my respected teachers for their efforts in drawing out the best in me which is helping me out even today.
