Report of the Orientation Programme

Every Year A.S. College of Education organises an orientation programme for the newly admitted B.Ed. students. Purpose of the orientation Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self- exploration.

Initial orientation by the Principal: - As part of the admission procedure the principal conducted an orientation interview where a general overview of the course, the possibilities and challenges are shared with the parents as well as the students to inculcate motivation and mental readiness to the course.

Orientation by the Teachers: -Teachers who are the members of the admission committee assesses the student's preparedness for the programme. After verifying the certificates, they interact with the students and probe attitude and interest of the aspirant to the teaching profession.

The main objectives of the orientation programmes are:

- To make the pupil teachers aware of the academic aspects of the course.
- To aware them about the environment of the institution.
- To create an atmosphere for pupil teachers to get to know other students and faculty members.
- To generate the understanding that E-learning is the wheel for new innovations.
- To aware about the rules and regulations of the institution,
- To familiarise the pupil teachers with the history and upcoming co-curricular and extracurricular activities of the institution like workshops, exhibition, seminars, conferences etc.
- To create an online environment at this pandemic time.
