## Waste Management Policy

A.S College of Education, Kalal Majra Khanna endeavors at harmonious and all round development of the students by providing healthy and congenial atmospheres necessary for intellectual, moral, aesthetic and physical growth as well as emotional stability.

A.S college of Education, Kalal Majra Khanna is located in the village and it has green campus with lawns, well maintained gardens and sidewalks. It makes all possible efforts to keep the campus clean, green and environmental friendly with proper waste separation and its disposal.

### Policy Objectives:

- To minimize waste generation at source and facilitate repair, reuse and recycling over.
- To provide clearly defined roles and responsibilities to identify and co-ordinate each.
- The disposal of wastes in a cost-effective manner.
- To sensitize student community on Environment Protection and sustainability.
- To provide a platform for students to participate in nature friendly activities.
- To classify waste in to different types and sort it systematically.
- To promote pollution free environment.
- To implement green protocol in connection with 'Swachh Bharat Abhiyan'.
- To organize programs for students and staff to reduce pollution and manage waste properly.
- To promote holistic approach of waste management in the campus.
- To transform waste in to value added products.

### Action plan

For waste management the action plans are:

- It is mandatory on the part of every employ to report changes/additions in hazardous waste generation and steps taken to reduce generation of waste per unit of production.
- The waste could either be recycled /reused or disposed off.
