

**Report on Pre Internship Workshop-III (8/8/2022-22/8/2022)**

An internship is an integral part of B.Ed. programme which is the first footprint of the student in the professional career. A.S. College of Education has organized 9 days workshop in which they taught the various aspects of teaching. The Internship exposure is provided to the students in the 3<sup>rd</sup> semester of the 2 years B.Ed. course because by 1<sup>st</sup> and 2<sup>nd</sup> semester students learn almost everything needed for successful internship programme to happen.

On the first day of the workshop (08/08/22), principal of Our college (**Dr. Pawan Kumar**) welcomed and oriented about School Internship programme to make pupil teacher motivated and mentally ready as well as making them aware of the basis amenities required during internship phase.

### **“DAY-7” (18/08/2022)**

This day started with a very nourishing session, given by **Dr. Vivek Bhambri** who brushed the skills of students and made them apt. at in handling the computer. Firstly, he taught them how to create google form Step by step and explained its important to students. As these are widely used to create and form test which teachers can easily evaluate. Then, he explained them the use of screen recorded to them. Secondly, he explained them to how to prepare Online quiz on various platforms. The one platform Suggested by him was “TESTMOZ” as for that you won’t need any specific mail id yet gives the same output as other platform do. Further, he explained them how to create google classroom step by step and explain its uses that how teacher can give wide content of single topic and have record of assignment and test submission at single one platform.

STEPPING TOWARDS ACADEMIC EXCELLENCE

After the workshop on Teaching Aids there was an interactive and Feedback session about the whole program of Internship and Value-Added Course on teaching aids. For this purpose, a quiz was organised, and students responded appropriately. They discussed in the session about the relevancy of this value-added course and how it will be helpful in their school internship. They were happy that now they are ready to serve the school and they will definitely implement the strategies learnt in this program.

### DAY-9" (22/08/2022)

This day was very challenging day for the students as there was a competition On Teaching Aid Preparation Competition where students need to prepare teaching learning aid on spot on any topic of their choice.

This model making competition was organised in different venues subject wise. For the judgement of Model making competition judges (subject experts) were invited from various institutions and gave their valuable feedback to students and motivated them. They channelized them in directed and guided way. At the end, there was announcement of results where they were rewarded students with certificate and congratulated them. Then the day ended with vote of thanks by principal **Dr. Pawan Kumar**.
