STEPPING TOWARDS ACADEMIC EXCELLENCE

Dr. Vimal Vidushy (Organizing Secretary) highlighted the theme and sub theme of the seminar. She also gave brief introduction of key note speaker and Resource person for Theme-I

The Key note address and presidential remarks was delivered by: Prof. (Dr.) Latika Sharma (Fellow and Former Head, Department of Education, Panjab University, Chandigarh). in her lecture she lay emphasis on the the quality and standard of education in a country depends on how it manages its teachers' quality improvement by initial preparation and ongoing professional development. Like other countries, previous Indian policy documents have also dealt with teachers' ongoing professional development and made different provisions and recommendations.

STEPPING TOWARDS ACADEMIC EXCELLENCE 

Mrs. Alka Sharma (IQAC Coordinator) give brief introduction of Resource person for Theme-II

Dr. Sheojee Singh, Associate Professor at Govt. College of Education, Sector-20 D, Chandigarh.

was a resource person for the Theme 2- “NEP: 2020- Shift of Teachers from Consumer to Prosumer/ Teachers: Catalyst in Implementation of NEP – 2020.” He discussed faculty development in higher education is the centripetal force to organize the system from within. It helps the teachers to develop a clear vision, maintain the right perspective, develop networks and make them respond to recent initiatives with integrity. Faculty development involves scaffolding and supporting teachers, making resources readily available to them and charting pathways for improved performance for self and the sectors.

STEPPING TOWARDS ACADEMIC EXCELLENCE 

Dr. Vimal Vidushy (Organzing Secretary) gives brief introduction of Resource person for Theme-III.

Mr. Ravinderjeet Singh, Associate Professor at A.S. College, Khanna was a resource person on Theme 3- “Challenges of Science Education with Reference to NEP 2020”. He discussed the promotion of CPD for teachers is expected to have a transformative impact on Indian science education. By continuously upskilling teachers and providing them with the necessary support and resources, the quality of teaching and learning is likely to improve significantly. This, in turn, is expected to enhance the overall quality of science education in the country, making it more relevant, engaging, and effective for students.
