STEPPING TOWARDS ACADEMIC EXCELLENCE

Report on Pre Internship Workshop – III and Value Added Course on Teaching Aids (24-07-23 to 05-08-23)

An internship is an integral part of B.Ed. programme which is first footprint of the student in professional career. A.S. College of Education has organized 11 days of workshop and 8 days Value added course on in which they taught various aspects of teaching and use of teaching aids in classroom teaching. The internship exposure is provided to the students in 3rd semester of 2nd year B.Ed course because by 1st and 2nd semester students learn almost everything needed for successful internship programme to happen.

On the first day of workshop (24-07-23) Principal of our College (Dr. Pawan Kumar) welcomed and oriented about School Internship Programme to make pupil teacher motivated and mentally ready as well as making aware of basic amenities required during internship phase.
